

## REMARKS

The following remarks are supplemental to the remarks submitted as part of the Amendment under 37 C.F.R. § 1.114 submitted April 4, 2004.

Applicants submit the above Amendment to the Specification and a Substitute Sequence Listing. In the Substitute Sequence Listing, the sequences have been re-ordered to correspond with the SEQ ID NOs as originally disclosed in the specification and the drawings. In particular, two sequences originally disclosed in the specification have been inserted into the Sequence Listing as SEQ ID NOs: 6 and 7 and identified accordingly in the specification. In addition, SEQ ID NOs: 55 - 57 were originally disclosed in the drawings and are now properly disclosed in the Sequence Listing, and SEQ ID NOs: 8 - 54 are inserted into Sequence Listing as blank sequences to comply with the Sequence Listing rules in 37 C.F.R. §§ 1.821 - 1.823. No new matter is presented by this amendment.

Applicants submit the above corrected Listing of Claims, which includes only the section of the April 5, 2004 Amendment that was not compliant with the Revised Amendment Practice. Applicants believe the corrected listing of claims above now places the Amendment under 37 C.F.R. § 1.114 submitted April 4, 2004 in compliance with 37 C.F.R. § 1.121.

Applicants respectfully request that the amendment be entered and the remarks herein be made of record in the file history of the instant application.

Applicants believe that no fee is required for filing this amendment. Please charge any required fee to Jones Day Deposit Account No. 503013.

Respectfully submitted,

Date: May 25, 2004
